

# Tournament Duty: Garbage / Recycle

The Garbage/Recycle team is responsible for ensuring there are two bags at each diamond and at the concession at the beginning of each day. One for garbage and one clearly marked for recycling.

At the end of each day, the team is responsible for collecting all the bags and disposing of the garbage and recycling. Bags must be collected on both the Saturday and Sunday night for the August tournament.

**Note:** If the Shrine Clowns are running the concession, they may be interested in taking the recycle bags.
