#### **6. Timers, Bags, Laminated Rules**

- Fay has megaphone
- Janet has put new batteries in the Timers
- Laminated rules already in place from previous years; no need to change to include the new run-by rule.

#### **7. Funds & Prizes**

- We will have more money than forecast: there was an error in the formula (leaving us more \$\$), the School District charged more than expected, Executive is not having an in-person meeting saving some funds.
- Executive discussed using \$500 to buy prizes for the tourney again.
- Neal will check out the idea of buying two really nice bats for prizes. Either SportChek or Kirbys.

**8. Umpires for finals**

- We will round up seasoned players for the final games.

**9. Trophies, Wrap-Up**

- Fay will set this all up once she receives the prizes.

**10. Any Concerns This Year?**

- Forfeits were a concern this year. Bring up at AGM to see if players on other teams want to spare.
